

## Phased Out Inventory Status Updated March 23, 2026

---

As color palettes and product platforms are refreshed, stock of phased-out inventory remains available at a discounted rate long after we have stopped promoting a color.

LDI has begun phasing out the following collections in their entirety:

- Infinity
- Original gloss version of Berkshire (**Berkshire 2.0, matte version, remains active**)
- InkGard Plus
- Sierra

Further, as part of our ongoing commitment to innovation and sustainability, LDI continues to enhance both the EnviroLeather® and EnviroHyde™ product platforms with each new generation:

- **EnviroLeather® / EnviroLeather® Prints** → transitioned to Gen 4 in 2025

*EnviroLeather® includes the following collections: California, Montana, Berkshire 2.0*

- **EnviroHyde™** → transitioned to Gen 3 in 2025

*EnviroHyde™ includes the following collection: Wyoming*

While previous generations are no longer in active production, the remainder of inventory is available for purchase at a discounted rate. Please note that all colors remain available in our current offering.

As inventory levels decrease, yardage is available on a first-come, first-serve basis.

As always, we appreciate your business and continued support of LDI Textiles. Should you have any questions, please don't hesitate to contact your sales rep, or our Customer Care team at [customercare@lditextiles.com](mailto:customercare@lditextiles.com) or 866-332-0700
